

*The Malayan Philatelist*  
**Index to Volumes 33-66**  
 (Updated to TMP No.310)

*EDITOR'S NOTE: Until Volume 51, the on-line index listings below were very piecemeal because there was a separate, hard-copy, published index to TMP Volumes 1-40 available, to which this was treated as a supplement. Since Volume 51, this index has been comprehensively expanded as new editions of TMP have been published. The present Editor is in the progress of working backwards from volume 50, reindexing each earlier edition and incorporating it, progress to date being reflected in the title above. Please bear with us as we undertake this monumental exercise, as a first step of which the former separate Malaysia and Singapore New Issue indices were incorporated below.*
